## The Lord gives power to the weak and strength to the powerless ( Holy Bible )

### Principal's Ink

It is worth highlighting the contribution of Ms. Alice Wilkinson who was the pioneer of Nursing education in our institution. She was a member of the T.N.A.I. and also the co-author to the constitution of Indian Nursing Council. Our School of Nursing initially started with 'B' Grade Nursing course and in 1952 it took over the 'A' Grade Diploma Course. In the year 2008, the School of Nursing got upgraded to College of Nursing and B.Sc. (Hons) Nursing was started. In the year 2017, M.Sc. Nursing programme was started and in 2019 Post Basic B.Sc. Nursing programme commenced. These programmes are run in affiliation to Guru Gobind Singh Indraprastha University. Besides these University programmes our General Nursing & Midwifery programme also continues to run. All our Nursing programmes are duly recognized by Indian Nursing Council and Delhi Nursing Council. We have reservation of seats for Christian candidates in our courses as per our status as Christian Minority educational institution.

Over the last more than a century, St. Stephen's Hospital has succeeded in producing the finest nurses in the country and we continue in our quest in maintaining the standards of Nursing education & training.

**Prof. Dr. Feba Geevarghese**  
Principal  
St. Stephen's Hospital College of Nursing

### BDO FIELD VISIT, NAJAFGARH

One Day BDO visit of GNM 3<sup>rd</sup> year was conducted on 22<sup>nd</sup> Feb, 2022 under the Supervision of Ms Annu Verma (Nursing Tutor) and Ms Feba Sam (Clinical Instructor) at Najafgarh

### TLM FIELD VISIT, SHAHDARA

The Leprosy Mission (TLM) Hospital, Shahdara was established in the year 1984. The Leprosy Mission Trust India started the hospital as a leprosy control unit. Later it was developed into a tertiary leprosy care hospital. Thereafter, it was transformed into a community hospital. It caters to the urban population around Shahdara.

A total of 42 Nursing students, i.e., 26 students of GNM 2<sup>nd</sup> year, 11 students of P.B.B.Sc. 1<sup>st</sup> year, 1 student of M. Sc 1<sup>st</sup> year and 4 students of M. Sc 2<sup>nd</sup> year went for a one-day field visit to TLM Hospital on 11<sup>th</sup> March 2022.

A session about TLM Hospital, its vision, mission and leprosy were conducted by Dr Prashant, Public Health Consultant. He gave a brief introduction about the consultants, departmental heads and staff members of the Hospital. A short movie on Leprosy was shown to the students in the meeting room. After the movie

had completed, Dr Prashant conducted a session on “The importance of Self-care” for patients suffering from leprosy. An orientation about the hospital and its various areas were given to the students and the field visit was concluded by a photography session.

**GLIMPSES OF THE FIELD VISIT**

**'PARIKSHA PE CHARCHA' 2022**

The students and faculty of St. Stephen's Hospital College of Nursing attended the Live Telecast of Prime Minister, Shri Narendra Modi addressing the students of India at the event 'Pariksha Pe Charcha'. The Event started at 11:00AM on 1<sup>st</sup> April 2022, which was broadcasted for our students at the Conference Hall.

The points emerged during the interaction were:

- ✿ Time management during exams
- ✿ Parent's pressure on students
- ✿ Special attention and appreciation to all students
- ✿ Realization of own strengths and weakness
- ✿ Effective use of cyber gadgets

#### Glimpse of the event:

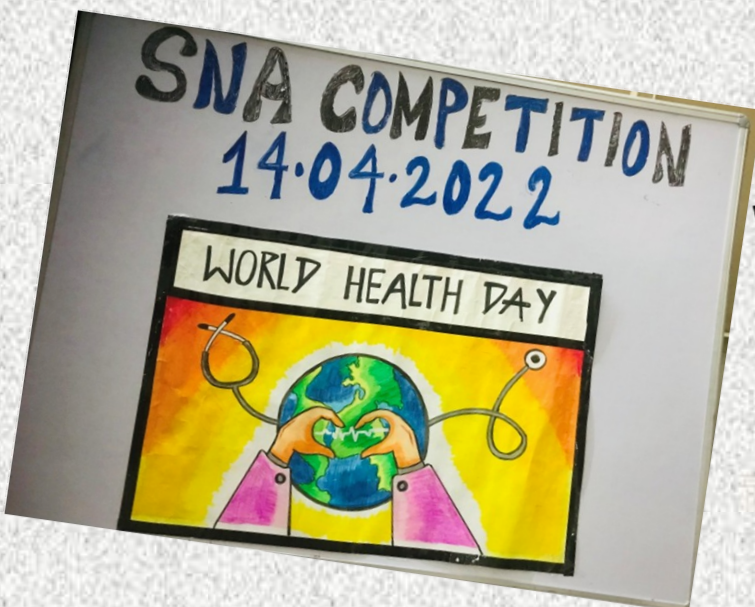

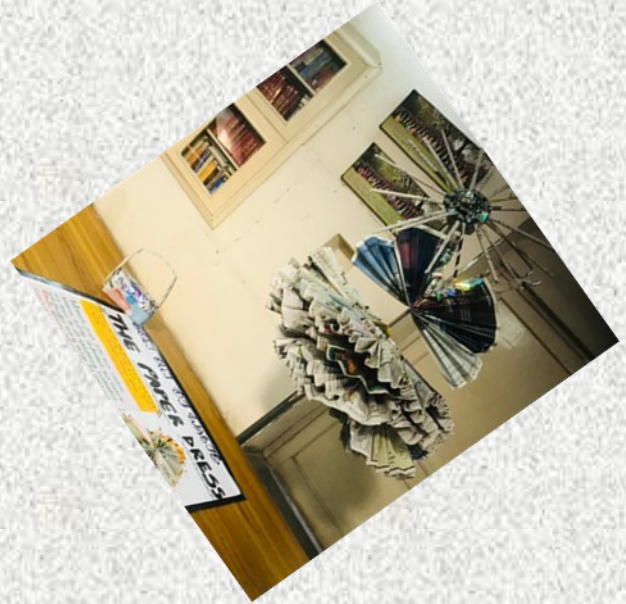

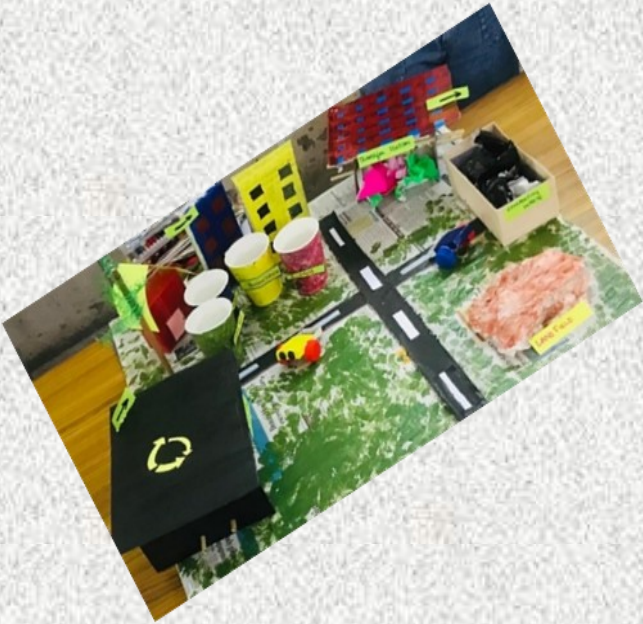

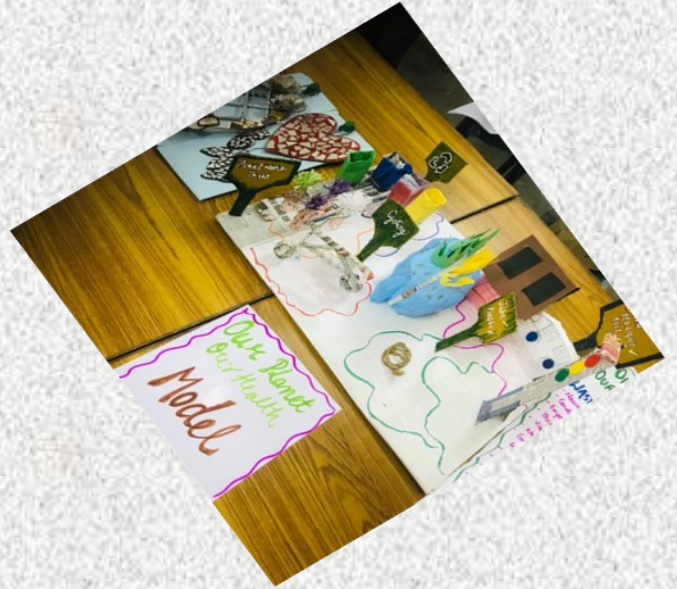

#### SNA COMPETITION: 'BEST OUT OF WASTE' WORLD HEALTH DAY -2022

Student Nurse Association (SNA), St. Stephen's Hospital College of Nursing organized 'Best Out of Waste' competition on 14/4/2022 for the celebration of World Health Day-2022 at Library, College of Nursing aiming to create awareness among students on significance of preserving our planet and our health.

The registration of the competition started at 1:30pm. Eight groups from different batches participated in the competition. The time duration was 2hrs from 2pm-4pm. All groups participated with great enthusiasm. The raw materials used in the competition were waste material using in our day to day life. Students made variety of things out of it. The criterion for the evaluation was presentation, use of material, product utility and overall effect. The activity of each group displayed innovative ideas of students. The Principal, Prof. Dr. Feba Geevarghese appreciated the imagination and creativity of students. The evaluation committee also appreciated the ability of students to think and create such beautiful and useful items.

#### Glimpse of the event:

### Result of Competition
